THOMAS H. TINNEY

Perrysburg Township's Candidate
for Office of Commissioner.

In the selection of a candidate for the office of county commissioner it is well to choose a man whose experience in public work makes him especially capable of attending to the multitudinous duties that must receive attention by that board.

Perrysburg township presents for nomination on the Republican ticket for the office of commissioner, Mr. Thomas H. Tinney, of Lime City.

Mr. Tinney was born March 22, 1863, and has been a resident of this township all his life. He has always been an active worker in the Republican party and has been honored by the voters of this township by election on several occasions.

For 12 years he has been a member of the school board for the Lime City special district being president of the board during all those years.

For 18 months he was a member of the county board of education, and for the past three years he has been a member of the Perrysburg township board of trustees, being elected as a Republican in this Democratic township, thus indicating the high regard in which he is held by the people of the township.

He has had many years' experience in public work, and is thoroughly capable of becoming a commissioner who can handle the work in an intelligent, conscientious and honest manner.

Mr. Tinney will be a creditable member of the board and should be nominated and elected.

COLORED MEN DEFEATED

Home Boys Defeated Robinson's
Giants by a Score of 6 to 3.

Perrysburg defeated the fast Robinson Giants of Toledo in an exciting and interesting game Sunday afternoon by the score 6 to 3.

Perrysburg made a flying start by scoring two runs in the first inning. F. Reis walked. On C. Reis' infield tap Jackson fumbled the ball, both runners were safe. Each moved up a base on Harper's out. And both scored on Kopp's hit to center.

The locals drove two more across the plate in the fourth. Canode singled and was sacrificed to second by Notage and scored on Noble's two base hit. Noble over-run second and was out. Maude went all the way around on his hit over left field fence.

Perrysburg made another run in the fifth. Fox relieved Morales. And the first ball pitched F. Ries doubled. He scored on the visitors mis-plays and wild throwing.

The Giants gathered two runs in the sixth. Taylor was safe after striking out. Error by Maude and Notage. Fox made a home run knocking the ball over the right field fence scoring Taylor ahead of him. In the seventh they scored again. McCoghin doubled and Williams singled scoring their last run.

Perrysburg got their last run as C. Reis was safe on an error, was sacrificed fly. This ended the scoring. Both pitchers were working hard. In the last half of the ninth after two outs, the Giants quit, claiming a foul ball fell in safe territory, and refused to play when "Play Ball" was called. Both teams were playing good ball at the finish. But the visitors got a poor start and Perrysburg took advantage of their mis-plays.

Score:
1 2 3 4 5 6 7 8 9—R. H. E.
R. G. 0 0 0 2 1 0 0 0—3 7 3
Pbg. 2 0 0 2 1 0 0 1 x—6 6 2
Batteries—Giants, Morales, Fox and McCoghin, Williams; Perrysburg, Engle and Mander.

Maumee will be here for a game next Sunday. This team defeated Perrysburg at Maumee July 4th. The locals will be out for revenge and a good game is assured.

OLD HISTORIC SIGHTS

Places in the Valley Worthy of
Study and Visitation.

When the traveler from afar comes to visit this valley, he is at once impressed with the many places of historic interest that are scattered up and down the Maumee for miles and miles. Not only are these spots along the river but they are to be seen back far into the country about.

We will take them in the order of their origination and tell something of each one in order to inspire those who care for further research as well as to again revive in the minds of many that which they in all probability have in the past been well acquainted.

Fort Defiance.

Where the Auglaize river enters the Maumee at Defiance, is located the old earthwork known as Ft. Defiance. It was a small work, but highly important. It was built in the summer of 1794 by "Mad" Anthony Wayne who with an army of two thousand men was advancing into this valley to attack the Indian tribes. When Wayne had finished the fort he jumped down off the rampart, and said: "There, I defy the British or Indians or all the devils in hell to take this work." One of his officers then said, "Call it Fort Defiance," and thus it was named.

Fort Deposit

Near Rushtaboo, Rock, just above Waterville, was built in August of the same year, Fort Deposit. Wayne also built this work. It was erected as a place of deposit for his baggage and stores when he should give battle to the Indians, which he did the very next day, August 20, 1794. Nothing is now to be seen of the old work but the place may be pointed out.

Presque Ile Hill.

This is a high bluff along the Maumee midway between Maumee and Waterville. Skirting the hill from the river and again to the river is a long and wide ravine. In this ravine, full of fallen timbers made tangled by a recent cyclone, is where the Indians with Red Jacket, their Chief, were hidden on the morning of August 20, 1794, when they were attacked by Wayne and routed with great slaughter. At the east end of the ravine near the river may be seen "Turkey Foot Rock," upon which the fabled Chief "Turkey Foot" stood as he tried to rally his defeated red men, and from which he was shot by one of Wayne's soldiers.

Fallen Timbers.

This battle was named after the place around and in which it was fought.

The battlefield of Fallen Timbers really extended from the west end of Presque Ile Hill down to Fort Miami, as well as back from the river nearly two miles.

It was a hard fought battle, and was important as two former fights with the Indians of the northwest had been very disastrous in the extreme. We refer to the defeats of Gen. Harmer and that of Gen. St. Clair.

McKee's Trading Post.

Below Maumee a short distance was located the notorious McKee Trading Post. The proprietor of this post was a Britisher. This trading post was a distributing point, from which arms and ammunition and food was supplied to the red men in the summer of 1794, and directly from the coffers of "His Majesty's government." American scalps were here counted by McKee and forwarded to Detroit. Here it was that British

YOUR SUPPORT

For the Chautauqua Is Needed
This Week.

There are only ten days left before the Chautauqua opens, and while the sale of tickets has been quite satisfactory, there is still a large number of season or course tickets to be sold before the Chautauqua Committee can "breathe easy."

Eight hundred dollars' worth of course tickets must be sold before the opening day of the Chautauqua or the Chautauqua Committee will be compelled to "dig down" for the balance unsold.

There are many towns one-fourth the size of Perrysburg that have a Chautauqua annually and make them pay out, and there is no reason why it should not pay out in Perrysburg if the citizens will help by purchasing course tickets.

No one can afford to miss this great five day course of educational, beneficial and inspiring entertainments. If you will buy tickets and attend regularly you will not regret the time and the little money.

Mr. and Mrs. Loyal Citizen, it is in your hands to make this great beneficial undertaking a success or a failure, and Mr. Farmer and family, you also should take a lively interest in the Chautauqua. Will your name be on the list next week?

Below is the revised list of season ticket purchasers:

DIARRHOEA QUICKLY CURED

"About two years ago I had a severe attack of diarrhoea which lasted for over a week," writes W. C. Jones, Buford, N. D. "I became so weak that I could not stand upright. A druggist recommended Chamberlain's Colic, Cholera and Diarrhoea Remedy. The first dose relieved me and within two days I was as well as ever." For sale by all dealers.

WHY ENDURE SUMMER COLDS?

It isn't necessary to have a stuffed head, running nose. To cough your head off as it were. All you need do is to use Dr. Bell's Pine-Tar-Honey. The soothing and healing balsams open the clogged air passages and in a short time you get relief and start on the road to recovery. Your nose stops running, you cough less and you know you are getting better. Get a bottle, use as directed. Keep what is left as a cough and cold insurance.—Adv.

TRAVELING MAN'S EXPERIENCE

"In the summer of 1888 I had a very severe attack of cholera morbus. Two physicians worked over me from four a. m. to 6 p. m. without giving me any relief and then told me they did not expect me to live; that I had best telegraph for my family. Instead of doing so, I gave the hotel porter fifty cents and told him to buy me a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, and take no substitute. I took a double dose according to the directions and went to sleep after the second dose. At five o'clock the next morning I was called by my order and took a train for my next stopping point, a well man but feeling rather shaky from the severity of the attack," writes H. W. Ireland, Louisville, Ky. For sale by all dealers.
